ADDENDUM 02

Request for Proposal: Electrical Protective Relay (IDIQ)
University of Arkansas
Fayetteville, Arkansas

TME Job No. 04-13-0003

November 5, 2013

Procurement and Contracting Requirements:

1. Section 00200 – Instructions for Proposers, Page 4, Number 3.
 - a. Changed the first sentence to read:

It is the intent of the University of Arkansas (UA) to contract for the supply of electrical medium voltage protective relays for a period of two (2) years, beginning on the date of issue of the written University of Arkansas Purchase Order or Contract, with annual options to renew the contract for additional one (1) year periods up to five (5) renewals at the sole discretion of the UA.
2. Section 00200 – Instructions for Proposers, Page 12, Number 28, Paragraph B.
 - a. Changed the first sentence to read:

Assignment to a new Original Equipment Manufacturer (OEM) of Medium Voltage Switchgear: The contract amounts for future projects priced under a MV Relay IDIQ agreement that are assigned to a Medium Voltage Switchgear OEM for inclusion in their product shall be developed and approved in accordance with the process outlined below:
3. Section 00500 – Proposal Form, Page 24, Number 7. Cost of Training for University Personnel:
 - a. Changed number 7 to number 8.
4. Section 00600 – Technical Specification, Page 36, Article 2.03:
 - a. Changed name of Article to “Motor Protection Relay”.
